Completion work Report of the Dept. of Student Development Cell for Academic Year 2020-21

In the academic year 2020-21, financial assistance was given to the needy students through the Student Development Cell of the college. Financial assistance was given to two students who helped the library in the Earn and Learn scheme of the college. No plan was implemented this year to provide financial assistance to needy students through ANGC, an association of principals. The students were informed about the financial assistance scheme being implemented by the University of Mumbai for the needy students but due to the lockdown rules of the state government, the students could not apply for the scheme within the stipulated time.
