

6.5.2

Additional Information

As compared to the first and second cycle of assessment through IQAC setup, many achievements have been made during second and subsequent cycles. These achievements are related to curricular, co-curricular, extracurricular and administrative fields. Some of these achievements are –

- a) Seven faculty members have completed Ph. D. degree
- b) Two faculty members have completed M. Phil degree.
- c) Faculty members completing research related activities have increased.
- d) Use of IT facilities in teaching-learning activities has been introduced.
- e) Number of books in the library has almost doubled.

Preparation of Academic Calendar: This calendar is prepared at the beginning of each and every year. This is aimed to streamline the day-to-day activities of the institution and also to avoid lapses and undue deviations. All the academic activities, throughout the year are undertaken keeping in mind the academic calendar. Thus the academic calendar provides direction to all the activities of the institution. Also academic time-table in each year is maintained by the IQAC.

Collection of Feedbacks on teachers by the students, from alumni, employer and teachers, analysis of feedbacks, submission of feedback reports to the Principal, placing feedbacks before Governing Body of the institution and to prepare action taken report afterwards etc. Update in Perspective and Action plans by the IQAC helps the institution for development of teachers and students with other vital contributions.

1. Completion of Different Programs by the Faculty:
