Feedback Taken on: 03-04-2019, 15-04-2019, 16-04-2019 and 10-05-2019

Students' Feedback on Teachers

(Academic Year: 2018-19)

I. Dr. S. S. Khot:

- 1) In addition to the regular study, discussion should be centered-around the current trends in the market.
- 2) Continuous relations should be kept with the students.
- 3) Feedback of the lectures should be taken continuously.
- 4) The difficulties (if any) of the students should be done away.

II. Prof. L. M. Gajbhive:

- 1) In addition to the regular study, discussion relating to daily life should also be held in the classroom.
- 2) Feedback of the lectures should be taken continuously.
- 3) Efforts should be made to participate among the students in different projects.
- 4) Interest relating to the subject should be created in the students.

III. Prof. K. R. Shindhe:

- 1) Feedback of the lectures should be obtained.
- 2) Tests should be arranged for the students periodically.
- 3) Control should be maintained on the class.
- 4) To use easier language understandable to the students.

IV. Prof. J. S. Jadhav:

- 1) In addition to curricular study, related literary matters should be discussed with the students.
- 2) There should be command over the Marathi language.
- 3) Projects should be given periodically with regard to the language concerned.
- 4) Subject-related knowledge should be improved.

V. Prof. P. A. Desai:

- 1) Matters relating to the subject should be discussed.
- 2) Feedback relating to the subject should be obtained periodically.

VI. Prof. P. S. Bhagwat:

- 1) Feedback relating to the subject should be obtained.
- 2) Subject-related knowledge should (still) be improved.
- 3) Participation of the students is essential.

VII. Prof. P. T. Sanave:

- 1) Feedback relating to the subject should be obtained.

- 2) Subject-wise tests of different papers should be taken.
- 3) In addition to curricular aspects, other matters should be discussed in the class-room.

VIII. Dr. D. Y. Parakhe:

- 1) There is a need of command over the subject.
- 2) Participation of the students in the discussion should be increased.
- 3) Participative interest among the students should be increased.

IX. Prof. (Mrs.) C. C. Zimmer:

- 1) There is a need to increase the skills for solving the problems of the students.
- 2) There is a need of control over the class-room.
- 3) Participation of the students in the subject should be increased.

X. Prof. R. M. Todkari:

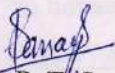

- 1) Students should be taught by giving examples relating to daily life.
- 2) Study is essential relating to the subject concerned.
- 3) Course material relating to the subject of 'Environmental Studies' should be to the students.

XI. Prof. D. S. Nimbhore:

- 1) More effective teaching skills should be imbibed.
- 2) Feedback of the lectures should be taken continuously.
- 3) The language understandable to the students should be used in the classroom.
- 4) Cordial relations should be maintained with the students.

XII. Prof. (Mrs.) Shalaka Kadam:

- 1) There is a need to improve the knowledge relating to the subject.
- 2) There is a need of command over the subject.
- 3) Class tests should be taken periodically.
- 4) There is a need of increase of improving the teaching skills.

Action Taken on Students' Feedback on Teachers

Students' Feedbacks on Teachers were taken on 03-04-2019, 15-04-2019, 16-04-2019 and 10-05-2019 for the Second term of the academic year 2018-19.

Students along with expressing their satisfaction on a number of factors in relation to teachings of the teachers also gave a number of suggestions for further improving the quality of their working. The same feedback was placed in the Governing body meeting held on 6-11-2019 at 11.00 am.

In the light of observations made by the students in the feedback taken, you are hereby asked to concentrate on the following factors for further improving your performance.

I. Dr. S. S. Khot:

- 1) To hold discussions centered-around the current trends in the market.
- 2) To keep continuous relations with the students.
- 3) To take feedback of the lectures continuously.
- 4) To do away the difficulties (if any) of the students.

II. Prof. L. M. Gajbhiye:

- 1) To hold discussions relating to daily life in the classroom.
- 2) To take feedback of the lectures continuously.
- 3) To make efforts to participate among the students in different projects.
- 4) To create interest relating to the subject in the students.

III. Prof. K. R. Shindhe:

- 1) To take Feedback of the lectures continuously.
- 2) To hold tests on different subjects regularly.
- 3) To further increase control over the class.
- 4) To use easier language understandable to the students.

IV. Prof. J. S. Jadhav:

- 1) In addition to curricular study, related literary matters should be discussed with the students.
- 2) To further increase command over the Marathi language.
- 3) To give projects periodically with regard to the language concerned.
- 4) To further improve subject-related knowledge.

V. Prof. P. A. Desai:

- 1) To discuss more matters relating to the subject.
- 2) To take feedback of the lectures continuously.

VI. Prof. P. S. Bhagwat:

- 1) To take feedback of the lectures continuously.
- 2) Subject-related knowledge should (still) be improved.
- 3) To encourage the students participation in teaching-learning process.

VII. Prof. P. T. Sanave:

- 1) To take feedback of the lectures continuously.
- 2) To take Subject-wise tests of different papers.
- 3) To discuss other matters in the class-room in addition to curricular aspects,.

VIII. Dr. D. Y. Parakhe:

- 1) To further increase command over the subject.
- 2) Participation of the students in the discussion should be increased.
- 3) Participative interest among the students should be increased.

IX. Prof. (Mrs.) C. C. Zimmer:

- 1) There is a need to increase the skills for solving the problems of the students.
- 2) There is a need of control over the class-room.
- 3) Participation of the students in the subject should be increased.

X. Prof. R. M. Todkari:

- 1) Students should be taught by giving examples relating to daily life.
- 2) Study is essential relating to the subject concerned.
- 3) Course material relating to the subject of 'Environmental Studies' should to the students.

XI. Prof. D. S. Nimbhore:

- 1) More effective teaching skills should be imbibed.
- 2) Feedback of the lectures should be taken continuously.
- 3) The language understandable to the students should be used in the classroom.
- 4) Cordial relations should be maintained with the students.

XII. Prof. (Mrs.) Shalaka Kadam:

- 1) There is a need to improve the knowledge relating to the subject.
- 2) There is a need of command over the subject.
- 3) Class tests should be taken periodically.
- 4) There is a need of increase of improving the teaching skills.

Dear Colleague,

Feedbacks from the Governing Body members of Patpanhale Education Society were collected on 07-03-2020 for the academic year 2019-20. Along with expressing their satisfaction on number of matters on the working of the College, they have also given suggestions and recommendations on number of matters. You are hereby asked to implement these suggestions and recommendations for improving your individual and overall institutional performance.

These suggestions and recommendations are as follows:

1. Presently, number of students getting postgraduate education is very less. Hence efforts should be made for increasing the number of students availing postgraduate education.
2. Efforts should be made for use of advanced techniques in the teaching process in the College.
3. There is an urgent need to bring improvements in the communication skills of the students. Hence efforts should be made by all to improve the communication skills of the students.
4. Efforts should be made by all to create overall professional attitude in the students of the College.

Dear Colleague,

Feedbacks from alumni of the College were collected on 11-03-2020 for the academic year 2019-20. Along with expressing their satisfaction on number of matters on the working of the College, they have also given suggestions and recommendations on number of matters. You are hereby asked to keep in mind those suggestions and recommendations for improving your individual and overall institutional performance.

These suggestions and recommendations are as follows:

1. For increasing the job prospects of the students, efforts should be made for imparting professional and vocational education.
2. Efforts should be made for providing different facilities for the students in the College.
3. The College teachers are well-educated but some teachers need to improve their quality of working.
4. There is a need to construct student hostel in the College campus.
5. There is a need to introduce modern and IT-based methods in respect of total admission process of the students.
6. The College is required to conduct event management camps and competitive guidance activities for the benefit of the students.
7. Budgetary provisions should be increased for participation in the competitions related to cultural activities.
8. Well-equipped gymkhana should be started in the College.
