Marathi Rajbhasha Din Gaurav Ceremony Celebration Programme

Under the guidance of Dr. Y.K Thombre, Principal of the college, Marathi Rajbhasha Din Gaurav Ceremony was celebrated. It was the birth anniversary of Kusumagraj, a famous writer of Marathi literature. Prof. J.S. Jadhav took review of his contribution to Marathi literature.

Poetry Recitation Program :

A programme of Poetry Recitation was organized in the college for the students on behalf of the Literature Association of Marathi department. As a part of this, the students' poetry reading program was organized with the view that students should study literature, develop their talent and create emerging writers and poets. During this time, the students gained a huge appreciation from the audience by reading their poems. Prof. Jalindar Jadhav recited the social poem 'Tumchi Jat Kanchi Hai', not only to fill in the imagination - but also to illustrate the problems of the society around us, through our literature and poetry. Following is the snapshot of Marathi newspaper cutting where the programme had given publicity.

Any Literature has to be created from talent Poet Mr. Rashtrapal Sawant :

Literature is a reflection of society. A human being can really experience not all experiences, so there is a great need for literature to become a good cultured person. For that, not every student has time to write something that they should write in their language, whatever they feel like doing in free choice. It was the address of a famous poet of Guhagar Taluka Mr. Rashtrapal Sawant. At this time he presented poems in his prose verse. They include 'Sakhubai Pori to school', 'Man lost', 'Hagandari-free village', 'Aali re Konkan rail train', 'My village', 'Addictions', 'blind faithless etc. It does not matter how big or small the poem is, but it does matter how strongly its content is conveyed in the least words. He said that any material has to be created through talent. A large number of non-teaching staff and college students were present.
