**5.1.2 Average percentage of students benefitted by scholarships, freeships etc. provided by the institution / non- government agencies during the last five years :**

\* Policy document of the HEI for award of scholarships and freeships.

The core of the scholarship and financial assistance policy of the institution is to make available different types of scholarships and also extend financial assistance to the desiring and eligible students.

The institution has a very transparent scholarship policy. The institution makes available different types of scholarships to the students. These are scholarships from Association of Non-Government Colleges (ANGC), Chhatrapati Shahu Maharaj Scholarship for open category students and Government of India Scholarship for economically and socially backward category students.

Along with scholarships, the institution also extends financial assistance to the needy and desiring students in three ways. These are Students' Aid Fund, Students' Welfare Fund and Earn and Learn Scheme. Needy and economically downtrodden students are selected for extending financial assistance from the aforesaid two funds. In case of Earn and Learn Scheme, two needy students are selected for working for limited hours in the College library. The assistance to be given to them is either paid in cash or is adjusted against their fees.

The institution follows standard operating procedure in respect of different types of scholarships- from issuing notices regarding scholarships and financial assistance to disbursement of the different stipulated amounts to the students. In all cases, amounts are paid to the students through cheques and or credited on their Accounts directly by the Government.

Of all the three scholarships mentioned above, the ANGC scholarships are awarded by Association of Non-Government Colleges, a Non-Government Organisation (N.G.O.) established by the principals of Non-Government Colleges.

In all the above cases, the institution tries its level best to help maximum number of desiring and eligible students in availing the scholarships.

As you are aware that the ANG Educational and Welfare Fund has been helping needy students since very long time and would like to continue with ANG Scholarships to students who are not entitled for any other scholarship/s. Please bring the scholarship scheme to the notice of the students and make available photocopies of the enclosed form to the applicants.

I request you to appoint a senior member of your staff to scrutinize application forms of students concerned and arrange them in order of preference giving weightage as per the following criterion:

1. ANG Scholarship is only for those who are not availing any other scholarship/s and perusing a programme in B.Com/B.Sc/B.A. / All Self finance degree programmes
2. Preference to girl students.
3. Scholarship is meant for students who are poor and needy.

Your judgement in this matter is extremely valuable to us.

We sincerely appeal to you to impress upon the students to submit the applications with all the required documents. Further kindly ensure that application of students who have already applied for any other scholarships / free ships are not strictly forwarded. Also attached along with this a format for submission. Colleges are required to prepare the summary of applications received in EXCEL (Separate for GIRLS and BOYS in the order of preference) and mail to [tshiware@gmail.com](mailto:tshiware@gmail.com). Please also submit a hardcopy to below mentioned address by 20<sup>th</sup> January, 2016.

**NO APPLICATION WILL BE ACCEPTED AFTER 20<sup>th</sup> JANUARY, 2016**

Please remember without soft copy of students' information in EXCEL, application form will not be processed. This would help to complete the data and distribute the scholarship faster.

Please forward application forms to:
