Dear Customer,

We hope you, your loved ones and everyone involved in your business is safe and healthy!

At Tally, our focus is on making software products that help businesses like yours run more efficiently so that you can focus on your growth. Today, our product is an on-premise product that we believe has one of the simplest licensing policies to help you make easy decisions about using Tally for your business.

Over the last few years, virtualisation technologies like RDP, RDS etc. that help facilitate anytime, anywhere access to laptop and desktop applications have gained momentum in their adoption. The prevailing situation has further spurred the demand for such technology.

Keeping this in mind, we are introducing a change in our licensing policy. This change will authorise and support virtual usage of Tally through a Tally Virtual User (TVU) pack. In other words, this pack will be required for all types of virtual usage of Tally. Please note the following important points related to the policy.

- You will be entitled to 1 TVU pack if you have a Tally.ERP 9 Silver license / 10 TVU packs if you have a Tally.ERP 9 Gold License / 20 TVU packs if you have a Tally.Server 9 license free of cost for the lifetime of the license
- If you need more users than your default entitlement, TVU packs will be available to purchase at an introductory price of INR 225 per user per month billed annually
- The TVU pack is one of the enablers for virtual access of Tally. It works along with other virtualization technology infrastructure to give you anytime, anywhere access to Tally
- There is no change to local / on-premise usage of Tally

If you would like to experience virtual usage of Tally, we have a free trial which you can activate any time before 31st March 2021. Your Tally partner will assist you with this.

At the end of the trial period, if you would want to continue accessing Tally virtually, you will be able to do it basis the default entitlements stated above.

If you have any questions regarding this – please click here. Alternatively, you can reach out to us at support@tallysolutions.com

Stay safe, stay healthy, and stay optimistic!

Warm regards,
Team Tally
