Examination on Gandhian Thoughts and Culture

Today's human life has become turbulent and impatient. The life of human being has become agitated and devoid of peace. While living the day-to-day life, everyone is concerned with his or her own job or other factors relating thereto. As there is cutthroat competition in each and every field, peace of mind and human values are rarely found. Human values are shrinking day-by-day. To drag the human race out of this dangerous condition, imbibing of human values like- nonviolence, patience, socialising, mutual cooperation, mutual help, humanity etc. is the need of the hour. Keeping in mind these factors, "Gandhian Thoughts Culture Examination-2019" has been implemented.

The main aim of this initiation is to inculcate Gandhian values among the students of the College. Now-a-days, it can be seen that Gandhian values have proved to be bases of entire mankind not only for its survival but also its prosperity. These values are more appropriate than ever before, particularly in this violence-ridden society at large. For this there is a tie-up with Gandhi Research Foundation, Jalgaon, Maharashtra. In all 107 students, belonging to both, Arts and Commerce faculties, wholeheartedly enrolled their names for this purpose. Lectures were held and literary materials on Gandhian thoughts were provided to the concerned students. Efforts were made to inculcate and impress basic Gandhian values among the students so as to bring about lasting and positive changes in the thoughts of the students.

At last, an examination was held in the format and as prescribed by the Research Foundation. In all, 102 students appeared for the examination. Merit certificates were distributed to the students who have taken part in this endeavour and who appeared for the examination.

By initiating such process, the College has tried its level best to imbibe Gandhian philosophy of nonviolence and other values among the students which will definitely go a long way in properly moulding the future of the students of the College. It has been decided to continue this practice in the coming years also for the benefit of the students with an intention to make them as responsible citizens in the society.
